Packaging unit	10

Installation | Connection

Gender	female
Mating cycles min.	500

Mechanical data

Operating pressure max.	8 bar
Integrated valve	yes

Mechanical data | Material data

Material housing	Delrin Acetal
------------------	---------------

Mechanical data | Mounting data

Internal hose Ø	4 mm
-----------------	------

Environmental characteristics | Climatic

Operating temperature min.	-40 °C
----------------------------	--------

Operating temperature max. 80 °C
